Executive Summary

2016 was a truly extraordinary year for Arts Whistler - a year of change, revitalization, growth, and opportunity.

We started the year off with big news when Doti Niedermayer, the Whistler Arts Council's first paid employee and Executive Director of 13 years, resigned in order to take on a new role in cultural management with the District of West Vancouver. This was quickly followed by an exciting announcement from the Government of Canada that the Whistler Arts Council and community partners had received a Canadian Heritage Strategic Initiatives Grant for \$489,500. Barely a week into 2016, the arts gods had handed us both a challenge and an opportunity.

Our board chair, Maureen (Mo) Douglas, stepped in to serve as Managing Consultant on an interim basis, and Heather Paul became Chair of the Board. We soon got to work on leveraging every opportunity that the Canadian Heritage grant presented. We also reviewed the mandate and work of the Arts Council and determined that it was time for a rebrand. At the 2016 Annual General Meeting in May, Arts Whistler was presented as the new operating name for the Whistler Arts Council, along with staff-determined values: Integrity – Bold – Inspired – Engaging.

With a revitalized commitment to serve as the collaborative leader for the arts and culture sector, and with funding from the Canadian Heritage grant, Arts Whistler began investing in arts and culture marketing and promotional tools that until now had been beyond our financial resources. Highlights of the grant include:

- a new Arts Whistler website, including comprehensive community event listings
- collaborative advertising and promotions for the arts, culture, heritage sector
- new events including *Fall for Arts*, *Whistler's Local Music Festival*, and *Art Gallery Weekend*
- new video, digital, and print materials promoting greater community and visitor participation in arts and culture

After six months serving as Managing Consultant, the Board of Directors confirmed Mo as the new permanent Executive Director of Arts Whistler in late August, just in time to launch *Fall for Arts* — Whistler's season for all things arts, culture, and heritage. This collaborative celebration was initiated to leverage a time of year when Whistler's primary passions are not outdoor recreation. Celebrating the fall as a season of discovery through arts events, gallery openings, festivals, and workshops proved to be a hit. We look forward to continuing Fall for Arts with our cultural partners in 2017.

The end of the year arrived with the devastating news that Chili Thom had passed away following a valiant battle with cancer. The community grieved collectively at the loss of one of Whistler's brightest lights and most inspiring and motivating artists. But before Chili died, he knew that we had cooked up an idea to celebrate his life's work. It was our hope that Chili would still be with us in person to spearhead *The Chili Thom Experience* in June 2017. We have no doubt that now he is with us in spirit as we put the finishing touches on this community-wide exhibition celebrating Chili's work and lasting influence on the community he loved.

2016 was the start of a new chapter in the Whistler Arts Council's history. Now, as Arts Whistler, we look boldly to the future with excitement, passion, and community spirit. After all, creativity is in our nature. Visit us and discover it in yours.

Sincerely,

Heather Paul, Board Chair
Mo Douglas, Executive Director

Creativity is in our nature

Vision

Whistler is a vibrant resort community where arts, culture, and heritage are essential.

Mission

We enrich Whistler by cultivating and celebrating artistic creativity, collaborating with stakeholders, and engaging residents and visitors in arts, culture, and heritage.

Values

Integrity, Bold, Inspired, Engaging

2015-2020 Strategic Priorities

1. Supporting the development and creative expression of Whistler's artists and groups
2. Fostering rich and diverse arts, culture, and heritage offerings
3. Growing arts, culture, and heritage contributions to the resort economy
4. Strengthening our organizational capacity

COMMUNITY INVOLVEMENT

Collaboration is at the heart of Whistler's arts, culture, and heritage community

CANADIAN HERITAGE STRATEGIC INITIATIVES GRANT

In early 2016, Arts Whistler with community partners received a \$489,500 Strategic Initiatives grant from the Government of Canada Department of Canadian Heritage, with a focus on developing content and promotions to increase cultural engagement and advance cultural tourism. The Canadian Heritage grant has helped Arts Whistler and community partners achieve the following:

1. Cultural tourism advertising - delivered via Tourism Whistler and Arts Whistler.
2. Establish cultural tourism experience itineraries in both print and digital form for the:
 - Culture Maps - Whistler Village featuring the Cultural Connector, public art, art galleries (*Find Your Path* video and brochure)
 - Culture Maps - Sea to Sky featuring the cultural journey stops, historic locations, and other points of cultural interest from Horseshoe Bay to Pemberton/Mt. Currie, and the Whistler Valley Tour featuring artists' studios and other culturally significant locations (in development).
3. Content creation: Developing Culture Maps, narrative storylines, and digital content for all cultural experiences.

COMMUNITY ENGAGEMENT AND SUPPORT

We are proud to give back to the Whistler community through arts scholarships and bursaries, ticket prizing for local charities, member group grants, reduced venue rental for the arts sector, professional development for local artists and performers, art gallery exhibitions, free events, and promotional support to the arts community including social media, videos, advertising, and event listings.

4. Arts Whistler web portal that serves as a virtual arts and culture information centre, including promotions and information on all of Whistler's arts, culture, and heritage.
5. Maury Young Arts Centre - arts and culture information services. Arts Whistler will parallel the services of the website in physical form by creating an arts and culture information centre at Maury Young Arts Centre (by June 2017).
6. Cultural education component for Whistler Experience training program - produced in partnership with the Whistler Chamber of Commerce.
7. Fall season arts festival.

COMMUNITY PROGRAMS

Arts Whistler offers a diverse catalogue of creative classes and workshops to engage and inspire greater participation in the arts for all ages and ability levels. Arts Whistler offered creative classes and workshops in visual arts, languages, music, professional development, and theatre along with several co-productions, free community activities and outreach projects. Arts Whistler teamed up with Cloud 9 Marketing to present the *Creative Development Series* to help artists and makers learn the skills and techniques to drive their personal and business growth. *Art Labs* proved to be popular this year selling out two Pyrography workshops and a Felted Holiday Ornaments workshop. These *Art Labs* offer a fun, social atmosphere to learn a new creative skill at an affordable price.

COMMUNITY CULTURAL OFFICER

Funded by the Resort Municipality of Whistler and in partnership with Arts Whistler, the Community Cultural Officer's mandate was to work with the cultural community to move forward the recommendations in Whistler's Community Cultural Plan and the resort Cultural Tourism Strategy. From June 2014 to November 2016 Anne Popma did tremendous work in bringing several of the recommendations to life, including artists' pop-up studios, receiving the Canadian Heritage grant, and laying the foundation for an artists' studio tour. Anne has now "retired" from the role, but continues to work with Arts Whistler on a project basis. We are grateful for Anne's extraordinary contributions to Whistler's arts and culture sector, not just over the past two years, but over the past three decades.

Thanks for everything, Anne!

MAURY YOUNG ARTS CENTRE

This is where the magic happens

WHISTLER'S HUB FOR ARTS & CULTURE

As a municipally-owned facility, the Resort Municipality of Whistler provides maintenance and capital project oversight to Maury Young Arts Centre. In 2016 Arts Whistler and the Resort Municipality of Whistler collaborated on several capital projects to refresh the heart, soul, and functionality of the Arts Centre.

Third-party bookings provide revenue to support arts programming, venue operations, and also to introduce a broader audience to Arts Whistler programs. In 2016, significant corporate clients included Whistler Blackcomb's staff training sessions, Canadian Avalanche Association, Thompson Rivers University, The Walrus Innovation Talks, and a Simon Fraser University Continued Learning Course in conjunction with the Whistler Learning Centre.

"Thank you so much for your hospitality and professionalism. You have been awesome to work with and the students and faculty loved the venue. I will be in touch soon with next year's dates, and we look forward to seeing you again soon!"

THE GALLERY

WHISTLER'S COMMUNITY ART GALLERY

As an integral exhibition space, The Gallery is an important avenue for artists to showcase and sell their work, gain exposure, and connect with peers and the local and global community. A vibrant yet intimate space, The Gallery showcases the work of emerging and professional artists in a range of mediums, offering dynamic programming broaching a variety of topics and discussion. The *Unordinary Lives* photography exhibit by international photographer Manca Juvan portrayed the effects of ongoing war and instability in Afghanistan. The *Creative Boom* exhibit featured the works of local artists from Arts Whistler's Pop-Up Art Studio - a collaborative and affordable workspace for local artists.

"I find The Gallery at the Maury Young Arts Centre to be a huge asset to local artists such as myself as it gives us a professional venue to showcase our work. I have shown at The Gallery in group and solo exhibits over the years and hope to do so for years to come."

WHISTLER PRESENTS: NEW YEAR'S EVE

The 2016 New Year's Eve celebration lit up the night with the theme of "Illumination". As one of three participating venues, Arts Whistler produced a spectacular evening of family-friendly entertainment at Maury Young Arts Centre. Families were immersed in creative art projects, glow in the dark activities, festive light displays, games and activities, and dazzling performances. For little ones (and parents) who couldn't keep their peepers open until midnight, we rang in 2017 in style with two rounds of early "Kids' Countdowns" which included the fan-favourite bubble wrap stomp and balloon drop.

WHISTLER PRESENTS: FAMILY APRÈS

Practicing your "pizza/french fries" all day can take its toll on little legs. When the kids can't muster another run, *Family Après* offers a fun, friendly place to play, enjoy live music, and make new friends. Now in its fourth year, Arts Whistler programmed *Whistler Presents: Family Après* on behalf of the Resort Municipality of Whistler at Whistler Olympic Plaza. Programming offered a unique combination of authentic Canadian winter entertainment, activities, and tastes. Winter, visitors and locals warmed up with a hot chocolate, made winter crafts, and created family memories.

BUSKING ON THE FITZSIMMONS TRAIL

Through the picturesque trees, over the creek, and into the Upper Village, *Busking on the Fitzsimmons Trail* livens up the summer experience in Whistler. Coinciding with the Farmers Market, the program adds colour, music, and vibrancy to the Fitzsimmons Creek and Rebagliati Park area. In 2016, busking expanded to Saturdays in addition to Sundays, providing additional performer opportunities and public engagement. The program continues to offer local artists and performers, opportunities to gain exposure, develop their skills, and earn money during the busy summer months.

ARTS WHISTLER HOLIDAY MARKET

LOCAL, HANDCRAFTED, UNIQUE

In 2016, Arts Whistler served up our biggest market yet for two days of hand-baked, hand-made goodness. Artists and makers were out in full force selling ceramics, housewares, natural bath products, jewellery, clothing, food, and lots more. Add in live music, carols, a food court, and visits from Santa, and the market was a full-on festive bonanza with many opportunities for guests to find that special gift for everyone on their “nice” list. Coinciding with Whistler Blackcomb’s opening day and a record-breaking snowfall, Whistlerites and visitors came out to support local artisans after a few laps on the mountain.

MARKETING

EVERYTHING ARTS - ARTSWHISTLER.COM

Rebranding as Arts Whistler in 2016 shifted our approach to being radically more collaborative, inclusive, and engaging throughout the entire Sea to Sky area. Moving into a leadership role in the arts community, our new website allows the community to post their own events directly on to the site, providing a catalogue of everything arts and giving visitors and locals access to events, workshops, and calls for entry in a more holistic way than ever before.

ARTS SCENE MAGAZINE

In person, online, and in print, Arts Whistler is your resource for everything arts, and *Arts Scene* is your guide to all the cool local events, workshops, and performances around town. Whistler's first *Arts Scene* was produced for the summer of 2016, what started as a one fold, newsprint flyer quickly grew into a full-fledged magazine during *Fall for Arts*. *Arts Scene* continues to grow and is the number-one resource for those looking for bold and engaging art adventures.

CULTURE MAPS

Created thanks to the Government of Canada grant, online and in print Culture Maps show galleries, the Cultural Connector, and all Public Art in the Village. Enthusiastically received by local organizations, the first print run was quickly exhausted and a larger order had to be placed. Plans are in place to grow the Culture Maps to include the Valley and Sea to Sky areas, and provide a more thorough listing of galleries during ArtWalk season.
