## THE HUNT

This scavenger hunt has three sections.  
It is designed for adults and is best played as a competition.  
Perfect for housemates

### FIND

You will be given a list of things you may find in the typical Whistler household. Each item has a different point value. For each item you find you must either keep the item or take a picture of yourself with the item to claim the points allocated. There is also opportunity to earn bonus points with some items - don't miss out on those bonus points.

### SOLVE

Work those brain muscles to figure out the answer to riddles and questions for more opportunities to earn points.

### PLAY

During the hunt there will be challenges you must complete - mainly just for fun - **ENJOY!** Each challenge has its own points to be won.

**This Scavenger Hunt has three sections. We recommend completing the FIND stage before moving onto section SOLVE and PLAY.**

Successful hunters will win points throughout the game. You can follow our points guide for at-home prizes or come up with your own!

1. **FIND the items on the list to earn points** – take a picture with your phone of yourself beside the item so your points can be counted when competitors come together at the end of the hunt.
2. **SOLVE riddles that lead to playful challenges** and more opportunities to earn points.
3. **PLAY out your challenges with enthusiasm** – get creative and earn scavenger hunt bragging rights!

Depending on the number of people in your home, you can compete as individuals or in teams. You can also work collaboratively to see how many points you rack up as one big team and challenge your friend's household to the ultimate virtual scavenger hunt.

Remember winners #stayhome.

## **PRIZE SUGGESTIONS:**

**10-25 POINTS:** You must each clean one room in the house.

**25-50 POINTS:** Choose the streaming program of the day.

**51-75 POINTS:** Celebrate with a special treat! Break out what you've been saving - a favourite candy, wine, aged cheese or whatever you fancy and have in the house.

**75+ POINTS:** Order pizza to celebrate your skills, then have an isolation pizza party. Slip into your best sweatpants, get that music blasting and shake it!\*

*\*Recommendation: Have your pizza party at 7pm so you can make noise for all the essential workers!*

## **SECTION 1 – FIND the items on the list to earn points.**

Take a picture with your phone of yourself beside the item so your points can be counted when competitors come together at the end of the hunt.

Each item on the list below will earn you points. Allow for 20 minutes to find these items then move onto the next section of the hunt.

## SECTIONS 2 - SOLVE riddles that lead to playful challenges, and 3 - PLAY out your challenges with enthusiasm.

The first riddle will be read by the hunt leader/organiser.

**RIDDLE #1:** I am something that has not flesh, nor feathers, nor scales, nor bone. Yet I have fingers and thumbs of my own. What am I? When you figure this out, go find me. You'll need me for the following challenge.

[Winner gets 2 points]

*\*answer at bottom of this document.*

### CHALLENGE #1: FLIP CUP

Play flip cup wearing the answer to Riddle #1 – [Watch YouTube tutorial](#) or read the instructions below:

#### Flip Cup Setup:

1. Pick teams: Flip cup is usually played with a group of people. Split your group into even teams. If you have an odd number of players, that's ok! Choose someone on the team with fewer players to drink twice.
2. Set up your cups: Pour your desired amount of beer into each cup - make sure each team pours the same amount. Then line up the cups for each team along opposite sides of a table - place your cup on the table in front of you.

#### Flip Cup Gameplay:

3. Flip cup starts with the first people on each team chugging their beer, placing the empty cup back on the edge of the table (top down) and using their hand to flip the cup completely upside down (see diagram below). Once the first player has successfully "flipped" their cup, the next player will play their turn by chugging, then flipping and so on. The team to flip their solo cups the fastest wins!

## CHALLENGE #2: THE CHOCOLATE GAME

You will need the gloves or mittens from Riddle #1, a knife and fork each, a chocolate bar in its wrapper and two game dice.

1. Roll the two dice once each taking turns in a clockwise direction.
2. When someone rolls a double, put on the gloves and try to open the chocolate bar then eat it square by square only using the knife and fork.
3. Continue to eat until another player rolls a double. At this point the new 'winner' puts on the gloves or mittens and starts to eat the chocolate with the knife and fork, and so on.
4. Whoever eats the last piece of chocolate wins!

[Winner gets 2 points]

## CHALLENGE #3: CHARADES

1. Write at least 20 of the ideas below each on a small piece of paper, then put them in a hat or a bowl. Pull one clue as each person takes their turn.
2. Each person has 30 seconds to act out as many clues as possible (handy tip: set a 30-second countdown timer on your phone).
3. The "actor" gets **1 point** for each clue that is guessed correctly by their team, as does the person who guessed the clue.
4. Once the actor's 30-seconds is up move on to the next person in your team.
